

PRO BIKE GIVEAWAY

Win Darin Read's personal Diamondback Accomplice

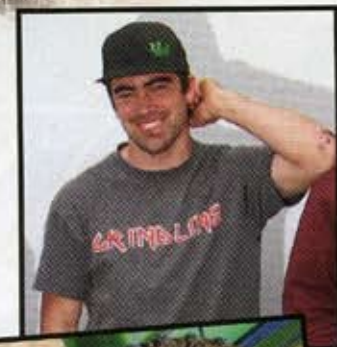

Ever dream of owning a Pro's Bike? Not one of those bikes you get at the shop that says "Pro" on it and every kid on the block seems to own one; we are talking about a Pro rider's personal bike. Bikes that come from the store are clean, new and ready for you to make them into something great, but they have no history, and that is why we started the *BMX Plus!* Pro Bike Giveaway. So get those pens ready, because this is your chance to win a collector's dream: Darin Read's one of a kind, well traveled and custom painted Diamondback Accomplice, complete with parts from MacNeil, S&M and Profile.

"I rode the bike for a good year. It has been good to me at events in England, Australia and countless other daily sessions. The bike will also be seen in

some of my best clips in videos coming out this summer. As for the custom paint, it was dedicated to the Seattle Seahawks, the best team in football. There have been a lot of good times on this bike! Thanks for everything and the chance to give it up to a good home." -Darin

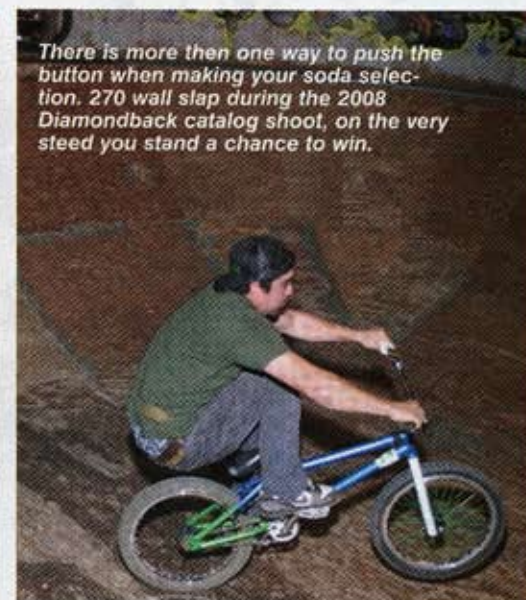

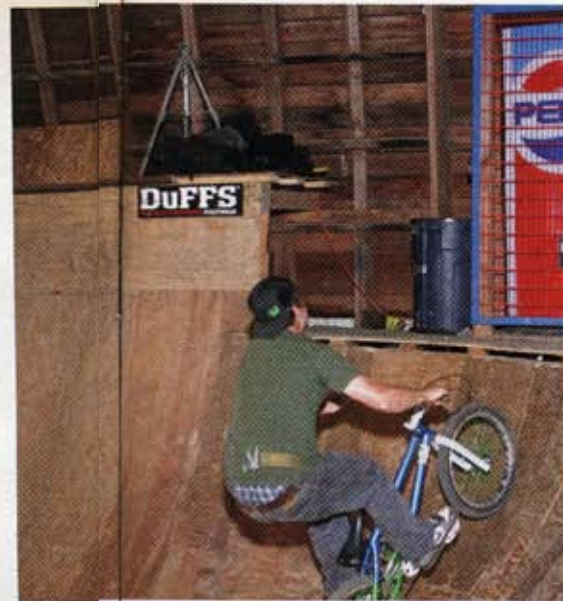

So what's the catch, what do you have to do to get your hands on this collectable? Simply fill out the form and mail it in for your chance to win. How many friends do you have with bikes in their collection that have tackled the trails of Elevation in Canada, the monster sets of The Hillside in Australia or the slopes of the UK's Empire of Dirt? Don't miss out; we guarantee a chance like this will never present itself again. ☺
