## DIAMONDBACK

**BMX Frame**

Price: \$300

[diamondbackbmx.com](http://diamondbackbmx.com)

The straightforward and rightfully-titled BMX Frame is touted as "five pounds of fully heat-treated chromoly." It features double-buttressed top and down tubes, an internal headset (included), a mid BB, removable detangler tabs, has a 13.875" rear end, and your choice of either a 20.75" TT (red only) or 21.125" (blue only).
