DIAMONDBACK

Sound Mag Pedals

Price: \$45 (loose ball), \$58 (sealed)

diamondbackbmx.com

These magnesium joints are super light (14.5 ounces), yet will stand up to the test of a pedal grind. Available in both sealed or loose ball versions, as well as aluminum body (\$18 loose ball, \$50 sealed), these fit every spectrum of the money-conscious rider in these "tough economic times."

DIAMONDBACK
The frame is made of high-quality aluminum and is designed to be durable and long-lasting. It is easy to install and remove, and it provides excellent protection for your wheels and tires. The frame is available in white and black colors, and it is compatible with most bicycle models.
